Join us in  
Israel

**3 – 6 February 2025**

This is your time to be **enlightened, empowered and envisioned** for greater service in the Body of Christ from the unique global vantage point of Jerusalem.

The nation of Israel has been locked in a multi-front war for over a year now, and while victory is close there remains much uncertainty about the future. At this Envision conference, we will visit the main battlefronts to bear witness to what has taken place, and to learn how the Israeli people are starting to recover and rebuild their lives and communities. We also will consider the wider significance of this conflict for the global Body of Christ, and how we as church leaders can better shepherd our flocks through these uncertain times by the leading and power of the Holy Spirit. We especially will hear how local Jewish and Arab believers are reconciling and worshipping together even amid the conflict. So make sure to join us for Envision 2025!
