## Fundraising Impact

Proceeds support Friends of JNF Canada and ICEJ Canada initiatives that:

- Build social-service infrastructure for youth at risk, victims of domestic abuse, children with special needs, and veterans
- Provide emergency relief and housing for families displaced by conflict
- Deliver counselling and recovery programs for those affected by the trauma of October 7

Fundraising Goal: \$180,000 to establish community centers and counselling facilities that bring hope and practical support to Israel's most vulnerable.

## About the Partners

- **Friends of JNF Canada:** Caring for the Land of Israel for decades through tree planting, water-reservoir development, park creation, and social-service projects.
- **ICEJ Canada:** Founded in 1980, representing millions of Christians worldwide who stand with Israel and view its modern restoration as the fulfillment of biblical promises.
